

Entrance Examination Results for PhD Programs 2023 February Batch

The following applicants have been selected from the assessment by research committee through written test, proposal presentation and interview and are advised to register their names by **January 3, 2023**.

Likewise, the provisional supervisors are assigned for each selected applicant. As per the PhD Guidelines of School of Education, the candidates are advised to complete the required courses together with the proposal defense in six months' time. Please contact the concerned Head of Department and provisional supervisor for the courses that you are required to complete in lieu of your proposal.

The maximum time given for the proposal defense is one year and the completion of the thesis research is five years.
